BRAND IDENTITY

The Dynamic Creator

Focused on energy, innovation, and approachable lifestyle consulting.

Color Palette

60%

Vibrant Red

HEX #FF3130

Primary color. Used for headers and major brand elements to convey energy.

30%

Pure White

HEX #FFFFFF

Secondary color. Content areas ensuring a clean, breathable space.

10%

Orange & Peach

#FF8730 & #FFB9AF

Accent colors. Deep Orange for CTA buttons; Soft Peach for icon shadows.

Usage Guidelines

Use the **60-30-10 rule** by applying **Vibrant Red** to headers and large visual anchors, **White** for all main content areas to maximize readability, and **Deep Orange** for primary CTA buttons. Soft Peach should strictly serve as a depth/shadow offset.
